

My Assessments of Donaghy's book and related (post-11/09) claims

Given the early interviews I have entertained for *Gaming the Game*, it is apparent the issue of Tim Donaghy's numerous and repeated claims made after his November 2009 release from prison will be discussed for some time. In this regard, this page will serve as a repository for interested parties (especially those in the media) for "one-stop shopping" when it comes to how Donaghy's claims stand up to scrutiny, particularly when assessed by federal law enforcement officials with direct knowledge of the investigation and prosecution, and how they compare to the actual, documented record (some of which is available online – see here, and here).

Parties explicitly looking for my evidence-based assessments of former NBA referee Tim Donaghy's book and related (post-11/09) claims can find them in the following locations:

Author's Note (about my assessments)

Donaghy claims (post-11/09) contradicted by the official record

Donaghy claims (post-11/09) for which there is no supporting evidence

For my assessments specifically of Donaghy's media appearances (which help explain how the conventional wisdom about the scandal evolved over time, especially post-11/09), please see the following:

Part One

Part Two

On “the mob” and the NBA Betting Scandal

[Note: the vid clips contained within the media assessment posts may also be found on the “NBA Betting Scandal” YouTube channel, which allows for easier viewing and sharing.]
