

NBA Betting Scandal on YouTube

In response to several complaints about the format of this blog vis-a-vis the viewing and sharing of the audio/vid clips I have compiled of Tim Donaghy's media appearances, I have created an "NBA Betting Scandal" YouTube Channel that will house these and similar "videos". Thus, the assessments posted on this blog regarding Donaghy's media appearances (see [here](#), [here](#), and [here](#)) now relate to clips that can be shared and viewed more easily. Thanks to those who pointed this issue out to me.
